115,000	1997
115,000	1998
115,000	1999

Bonds maturing on December 1, 1997, and thereafter will be subject to redemption prior to maturity at the option of the city, as a whole or in part, in inverse order of maturity (selection of bonds for partial redemption of bonds of the same maturity to be by such method as the bond registrar shall deem fair and appropriate) on December 1, 1996, or on any interest payment date thereafter, at the redemption price of 100 percent of the principal amount of bonds redeemed plus accrued interest to the redemption date, without a premium.

Authority, Purpose and Security

The bonds are being issued pursuant to the provisions of K.S.A. 10-101 et seq., as amended, and K.S.A. 12-6a01 et seq., as amended, for the purpose of retiring temporary notes of the city that were issued to finance the cost of certain street, sidewalk and utility improvement projects within the city. The principal of and interest on the bonds will be payable in part from special assessments levied on the property benefited by certain improvements, but any specially assessed part not so paid and the remainder of the principal and interest will be paid from ad valorem taxes that may be levied without limitation as to rate or amount upon all of the taxable tangible property within the territorial limits of the city.

Conditions of Bids

Bids will be received for the bonds bearing such rate or rates of interest as may be specified by the bidder. The same rate will apply to all bonds of the same maturity. Each interest rate specified will be a multiple of 1/8th or 1/20th of 1 percent. The difference between the highest and lowest rates specified in any bid will not exceed 21/2 percent. No interest rate will exceed the maximum interest rate allowed by Kansas law, said rate being the "20 Bond Index" of treasury bonds published in Muniweek (formerly the weekly Credit Markets) in New York, New York, on November 6, 1989, plus 2 percent. No bid of less than par and accrued interest will be considered. Bids for less than the entire issue of bonds will not be considered.

Bid Form and Good Faith Deposit

Bids will be submitted on the official bid form furnished by the city and will be addressed to Robert K. Biles, Finance Director, Room 206, City/County Building, 300 W. Ash, Salina, KS 67402-0736, and will be plainly marked "Bond Bid." Each bid will specify the total interest cost to the city on the basis of such bid and the average annual net interest rate on the basis of such bid. The net interest cost to the city will be determined by subtracting the amount of the premium, if any, from the total interest cost and will be stated as a dollar amount in the bid. The city will be entitled to rely on such dollar amount as stated in the bid as the basis of determining the lowest net interest cost bid. If there is any discrepancy between the said net interest cost and the average annual interest rate specified, the specified net interest cost will govern and the rates specified in the bid will be adjusted accordingly.

Each bid must be accompanied by a certified or cashier's check equal to \$23,500, made payable to Treasurer of the City of Salina, Kansas. In the event a bidder whose bid is accepted fails to carry out the contract to purchase the bonds, said deposit will be retained by the city as liquidated damages. The checks of unsuccessful bidders

will be returned promptly.

Basis of Award

The city reserves the right to reject any and all of the bids and to waive any irregularities. Unless all bids are rejected, the bonds will be awarded to the bidder whose proposal results in the lowest net interest cost to the city.

Delivery of the Bonds

The bonds will be sold subject to the unqualified approving opinion of Stinson, Mag & Fizzell, bond counsel, of Kansas City, Missouri, a copy of whose opinion will be printed on the reverse side of each bond. Manually signed originals of the opinion will be furnished without expense to the purchaser of the bonds at the delivery thereof. The cost of the opinion of bond counsel and the expense of printing the bonds will be paid by the city.

The number and denominations of bonds and names of the registered owners to be shown on the bonds initially delivered must be submitted in writing by the successful bidder to the bond registrar not later than December 7, 1989.

The purchaser will be furnished with a complete transcript of proceedings evidencing the authorization and issuance of the bonds and the usual closing proofs, which will include a certificate that there is no litigation pending or threatened at the time of delivery of the bonds affecting their validity. Payment for the bonds will be made in Federal Reserve funds or other immediately available funds not later than 11 a.m. Kansas City time on the day of delivery. Delivery of the bonds will be made to the successful bidder on or before December 14, 1989, at such location as may be specified by the purchaser. The purchase price, including accrued interest from the date of the bonds to the date of delivery, will be paid at delivery or the good faith deposit will be forfeited.

Tax Exemption

In the opinion of bond counsel, under existing statutes, regulations, rulings and court decisions, including the Internal Revenue Code of 1986, interest on the bonds is not includable in gross income for purposes of federal and Kansas income taxation. In rendering its opinion, bond counsel will state that it has assumed the city's present and continuing compliance with covenants in the proceedings of the city authorizing the issuance of the bonds and other documents. Interest on the bonds is not an item of tax preference for purposes of the individual or corporate alternative minimum tax, except that interest

(continued)

on the bonds may be subject indirectly to a federal and Kansas corporate alternative minimum tax as pre-tax book income in taxable years beginning in 1988 and 1989 or as adjusted earnings and profits for taxable years beginning after 1989. Interest on the bonds also may be subject to a tax based on the modified alternative minimum taxable income of a corporation under the Superfund Amendments and Reauthorization Act of 1986 in taxable years beginning after 1986. In addition, interest on the bonds held by certain foreign corporations may be subject to the branch profits tax under the code in taxable years beginning after 1986. The city will designate the bonds as "qualified tax-exempt obligations" under Section 265 of the code relating to interest deductions for banks and thrift institutions. Reference is made to the preliminary official statement for further discussion of federal income tax matters relating to the interest on the bonds.

CUSIP Identification Numbers

CUSIP identification numbers will be printed on the bonds. All expenses in relation to printing of CUSIP numbers on the bonds and the expenses charged by the CUSIP Service Bureau for the assignment of said numbers shall be the responsibility of and shall be paid for by the city.

Bond Rating

The outstanding general obligation bonds of the city are rated "A1" by Moody's Investors Service, Inc., and the city has applied to Moody's Investors Service, Inc. for a rating on the bonds.

Assessed Valuation and Bonded Indebtedness

The total assessed valuation of the taxable tangible property within the city for 1989 is \$187,087,961. The total general obligation bonded indebtedness of the city as of October 1, 1989, including this \$1,175,000 proposed issue of bonds, will be \$12,070,000.

Preliminary Official Statement and Official Statement

The city has prepared a preliminary official statement dated October 20, 1989, copies of which may be obtained from the undersigned or the city's financial advisor. Additional copies may be ordered at the successful bidder's expense.
